

# *Jazz-a-matazz*

Jazzmatazz is an opportunity to add a touch of class and sophistication to your event with the sounds of authentic jazz. Relax to the classic and modern jazz of Norah Jones, Carol King, Frank Sinatra, Doris Day, Ella Fitzgerald, Glenn Miller, as well as modern swingers such as Michael Bublé. Spice-up your party with some up-tempo swing and latin jazz.

If your event is in Adelaide, or anywhere in South Australia, then look no further for uncompromising, quality entertainment.

Jazzmatazz is a jazz combo that specializes in Weddings, Corporate Events, Dinner Parties, Outdoor Parties, Auctions, Birthday Parties, Anniversaries, Fundraisers, Outdoor Events, and more . . .

Listen and you will discover that Jazzmatazz is not a 'party band' comprised of part-time lounge musicians. We are working professionals who actively perform throughout South Australia and are committed to both quality and artistry. Our repertoire of jazz standards is guaranteed to provide an eloquent atmosphere for you and your guests.

Jazzmatazz is available in several different combinations to fit the size and style of your event.
